

# SN-CBK656B

## Junction Box

## Specification

| Parameters         |                                                                                                                |
|--------------------|----------------------------------------------------------------------------------------------------------------|
| Application Model  | SN-IPRXXXXKAXX, SN-IPRXXXXCSXX, SN-IPRXXXXHBXX, SN-IPRXXXXCWXX, SN-B13XXKA, SN-B13XXCW, SN-B13XXHA, SN-B13XXDV |
| Material           | Aluminum alloy                                                                                                 |
| Color              | White                                                                                                          |
| Operating Humidity | 0% - 90% RH                                                                                                    |
| Load Bearing       | 3 kg (6.61 lb)                                                                                                 |
| Product Dimensions | $\phi 110 \times 48$ mm ( $\phi 4.33 \times 1.89$ inch)                                                        |
| Product Weight     | 0.3 kg (0.66 lb)                                                                                               |

## Dimensions (mm)
